FINDING YOUR HOME

OUR PROVEN HOME BUYING ROADMAP

THE BUYER ROADMAP OVERVIEW

THE BENTLEY MCKAY EXPERIENCE

THE HOME BUYING TIMELINE

Our Signature Process

Step One

Meet with a Professional

Before you even begin the home buying process, I suggest that you sit down with a lender and get pre-approved. Together, you will determine the best mortgage type for your situation, as well as how much house you will be able to afford. Be sure to get a pre-approval letter before leaving.

Step Two

Pre-Approval

After you have met with your lender, we can sit down and discuss the type of home you're looking for. We will discuss style, price, location, and any other features that you find important for your home.

Step Three

Search and Showings

Now the fun part! I will set you up on a custom client search that will send you every available home that meets your criteria for your home. From there, I will schedule showings and we will go view the homes that you are interested in.

Step Four

Make an Offer

After finding the right home, we will discuss important factors and criteria needed to submit in a strong offer. We will discuss offer price, inspection time period, financial contingencies, etc.

Step Five

Negotiation and Contract

The seller will have the opportunity to accept, reject or counter your offer. I will help you understand all the terms of the contract to decide the best course of action for securing your home on terms that work for you.

Step Six

Escrow

You will deposit to agreed upon earnest money. You will schedule any inspections during the time period negotiated in the contract and we will negotiate any repairs requests you would like to make with the seller.

Step Seven

Final Details

The mortgage lender will typically order an appraisal to determine the value of the home. I will educate you on your rights as a buyer and will offer you alternative routes to take if the appraisal should come back low in value.

Step Eight

The Closing

After your loan has been processed you will receive the clear to close from your lender. We will perform the final walk-through before closing. After you sign the documents, it's time to celebrate because your home purchase is now complete!

FINANCES

Finding Your Perfect Home

Before you officially begin your home search, I always recommend to begin with talking to a lender and getting pre-approved. A lender will be able to answer all of your questions regarding finances and give you a clear understanding of the exact price range you will be pre-approved for and an estimate of the expenses to expect.

QUESTIONS TO ASK WHEN INTERVIEWING POTENTIAL LENDERS...

-
- ✓ What is the best type of loan for me?
-
- ✓ Do I qualify for any special discounts or loan programs?
-
- ✓ What interest rate can you offer?
-
- ✓ When can you lock in my rate?
-
- ✓ What fees can I expect from you?
-
- ✓ What are my estimated closing costs?
-

PART 2: FINANCES

Finding Your Perfect Home

There are many different factors that the lender will use to calculate your pre-approval. It's always best to be prepared, so here are a few of the documents you can begin to gather together and can expect to be requested:

- Tax Returns
- W-2 Forms
- Pay Stubs
- Bank Statements
- List of Monthly Debt

HOME SEARCH

Starting The Home Search

Step One

After you speak with a lender and get pre-approved, we will begin your online home search. I will set you up on an automated search on the Multiple Listing Service (MLS).

Step Two

We will discuss your ideal price range, your must-haves list, deal breakers, location preferences, school districts, and all of the other factors that will help me to best help you during the home search period.

Step Three

When you decide you are interested in a home, we will schedule a showing to view the home in person. If you decide it meets your criteria, we will write an offer for the home. When we get an accepted offer, you will now be Under Contract.

OFFERS & NEGOTIATIONS

Presenting a Strong offer

Information Needed

Before we begin writing an offer, we will need to gather some documents and discuss some important details...

- ✓ Pre-approval letter
- ✓ Offer Price
- ✓ Financing Amount
- ✓ Escrow Deposit
- ✓ Closing Date
- ✓ Inspection Period
- ✓ Closing Costs

OFFERS & NEGOTIATIONS

Presenting a Strong offer

Multiple Offer Situations

It's more common than ever to see homes go into multiple offer situations. This means that your offer is not the only offer on the table for the sellers. Here are some of my best tips to win a multiple offer situation...

- Submit your Pre-Approval letter with your offer
- Have your lender call the listing agent to share your Pre-Approval details
- Make a cash offer if possible
- Offer more than the asking price
- Be flexible with your closing date
- Add a personal letter and a photo of you and your family
- Offer a higher amount for the Escrow deposit so the seller knows that you are serious
- Keep your offer clean when it comes to contingencies and don't ask for any that are not a deal-breaker for you

Escrow

Congrats! We are almost there. You will turn in your Escrow Deposit, we will get inspections scheduled, negotiate repairs, and move forward with your loan application. The entire process from contract to close typically takes between 30-45 days.
